

NORTH AMERICAN COMPOSITES COMPANY is a leading distributor of composite raw materials in North America. For over 55 years, we have served manufacturers in marine, cast polymer, corrosion, construction, consumer, and related composite industries. We operate 28 distribution centers in the U.S. and Canada. Each of distribution center serves local customers with fast and efficient deliveries of the products they need.

We have an opening for an experienced **Truck Driver** for our **Lakeland, Florida**, distribution center. This person should have a CDL Class A with hazardous materials and tanker endorsements; 3 to 5 years of truck driving experience; and no more than 2 moving violations in the past 3 years on his/her driving record.

This is a great truck driving job! You'll be operating good equipment that is maintained properly; you'll work between 45 and 50 hours per week; you'll be home every night with your family; and you'll be working for one of the most stable companies in the United States.

DUTIES

1. Transport outbound orders from the distribution center to customers in Florida.
2. Pickup inbound orders from suppliers and transport them to the distribution center.
3. Load and secure shipments properly and placard each transport vehicle properly.
4. Conduct vehicle inspections daily and identify and record safety defects.
5. Review shipping documents and ensure they are accurate.
6. Obtain customers' signatures on paperwork at the time of delivery.
7. Complete driver logs and other required paperwork.
8. Maintain licenses and permits in the vehicle permit book.
9. Perform other duties as assigned by the Operations Supervisor.
10. Punctuality and regularity of attendance are job requirements.

REQUIREMENTS

1. Commercial Driver License, Class A, Hazardous Materials Endorsements
2. Able to lift 100 pounds.
3. Able to operate a forklift and electric pallet jack safely.
